

# Not just as Usual Business

The road is a grind, it's what keeps you from your family. The road does not have to be boring, uncomfortable, or ordinary.

When you're traveling for business stay with Soaring Eagle Waterpark and Hotel. We're more than just a waterpark, we're business friendly. With on-site access to the technology you might need, full service dining, comfortable rooms, and great rates that won't break your expense account, Soaring Eagle Waterpark and Hotel has everything the professional traveler needs.

We get it! You see the word *waterpark* and think "no, way, I'll never get any sleep and I don't want to deal with young guests while I'm working." Soaring Eagle Waterpark is not directly connected to the hotel. Your room will be located away from the watery kid's fun. On the other hand if you decide to go for a swim, there is a separate pool for hotel guests where you can relax.

In addition, Soaring Eagle Waterpark and Hotel offers two different meeting facilities. We can cater at your request, just happen to have an 18 hole golf course on site & are only 2 miles from Soaring Eagle Casino & Resort with complimentary 24 hour shuttle service.

The road can be rough, find out what seasoned travelers already know, **staying at Soaring Eagle Waterpark and Hotel makes the road a lot more enjoyable.**
