## If my child passes to the next level, but I've already registered him/her for the same level, what should I do?

We will do our best to accommodate any movement between classes. However, our swimming lessons are in high demand and fill up quickly. Our ability to move your child appropriately will depend on the class level, time and class space available.

## What happens if I've registered my child for the incorrect level?

We do evaluate each child the first day of lessons to ensure that they have been placed in the correct level. We will do our best to move them to the appropriate level if necessary.

Each child may have up to 2 guardians permitted in the pool area with them for the lessons.

## Where do I sit during swim lessons?

The parents can sit in the chairs closest to the pool where the child's swim lesson is being taught.

## May I stay and swim in the pool after swim lessons are done?

If you and your family plan on staying at the pool the rest of the day, you will need to purchase a day pass in order to do so. Our Pool opens at 10 am so you will be able to purchase your tickets and re-enter the pool at that time. Reminder- lifeguards are not on duty during open swim times. Child supervision is required during open swim.
